PRELIMINARY AMENDMENT AND TRANSMITTAL OF FORMAL DRAWINGS

Kindly amend the application as follows.

**In the Specification:**

Please amend the specification as follows.

At page 5, line 2, change "schedules" to -- scheduled --.

At page 5, line 5, change "a one" to --one--.

At page 8, line 2, change "which at which at" to --which at--.

At page 9, lines 28-29, change "for translating address references are" to --translates  
address referenced--.

At page 10, line 4, change "Preferred embodiments" to --Embodiments--.

At page 11, line 23, change "Preferred embodiments" to --Embodiments--.

At page 12, line 16, add a period at the end of the line.

At page 14, line 1, change "Preferred embodiments" to --Embodiments--.

At page 20, lines 9-10, change "the I-cache" to --I-cache 112--.

At page 25, lines 7-12, replace the sentence "Translator 124 ... data)." with the  
following: --Translator 124 also assumes that all memory references are to well-behaved  
memory. ("Well-behaved memory" is a memory from which a load will receive the data last  
stored at the memory location. Non-well -behaved memory is typified by memory-mapped  
device controllers, also called "I/O space," where a read causes the memory to change state, or  
where a read does not necessarily return the value most-recently written, or two successive reads  
return distinct data.)--.

I certify that this correspondence, along with any documents  
referred to therein, is being deposited with the United States  
Postal Service on November 1, 2000 as First Class Mail in an  
envelope with sufficient postage addressed to The  
Commissioner for Patents, Washington D.C. 20231.
